

**9th Annual ROTARY FALL BULB SALE sponsored by PORT ANGELES
ROTARY CLUB**

“THE LARGEST SELECTION ON THE PENINSULA”

**STRAIGHT FROM HOLLAND – TOP SIZE BULBS –
FANTASTIC NEW VARIETIES TO CHOOSE PLUS YOUR OLD FAVORITES**

May is here and most of the daffodils are still blooming and the tulips are just gorgeous-huge mounts of Fritillaria and Allium are blooming-Dutch Irises are still to come.

Don't miss out next spring. Buy a few packages now and plant them in your yard or in pots on your patio....They will brighten your days next spring, even during April showers.

All our regular packages are just one price: \$7.50-really a bargain and so many different colors and types to choose from; you will enjoy the color and help make Rotary's fundraising efforts a success. We also have large bags of tulips and daffodils for \$15.

Our bulbs also make marvelous gifts to neighbors, friends or to yourselves. You don't need lots of sun-most of the bulbs do fantastically well in shaded areas of your garden. Have a special request? Just call us about ordering a special color or variety if you don't see it on our list.

**REMINDER: Send in your orders by June 22nd to guarantee your selection of bulbs
Questions ??? Please call 477-2162 or 452-4169**

EARLY AND SMALLER VARIETIES: Snowdrops, Species Crocus, Species Iris, and Mixed Scilla LARGE GIANT CROCUS that bloom in March herald the coming bulb season.

HYACINTHS bloom early, are highly fragrant, and come in some new brighter colors and mixes.

DUTCH IRIS (May-June) are very long blooming; tall and majestic, make great cut flowers.

ALLIUM and FRITILLARIA are real eye catchers and deserve a place in your garden.

NARCISSUS/DAFFODILS are long blooming, deer resistant. We are offering a great many varieties as well as the largest, ever favorite, 'DutchMaster'.

And last but definitely not least...

TULIPS come in every conceivable size, shape and color; varieties bloom from early to late season-some have single blooms, others have double blooms, showy feathers or spiked tops, variegated colors and leaves – great in pots around the house. This year we are showcasing 'Red' tulips.

AS USUAL, WE HAVE IDENTIFIED TULIPS AS "E" (Early) "M" (Mid) or "L" (Late) BLOOMING SO YOU CAN EXTEND YOUR COLOR AND ENJOYMENT FOR THE FULLEST BLOOMING SEASON.

Pick up your orders on **September 18 and 19 at GERTIE'S FARMERS MARKET on First Street in Port Angeles and browse through our GIGANTIC 'Bulb Store' for many additional bulb surprises and selections-first come, first serve. We will have a huge selection - we sell out of these goodies every year!**

All proceeds benefit local scholarships and local/international service projects. Thank you.
